21st and VIRGINIA AVENUE, N. W.  
WASHINGTON, D. C.

29 April 1946

MEMORANDUM FOR: Acting Chief, Central Planning Staff

SUBJECT: Conference with Officials of  
the Bureau of the Census

REFERENCE: Memo for Director of Central Intelligence,  
24 April, from Chief, Central Planning  
Staff, with enclosures, same subject.

1. The Director has deferred the action recommended in the reference memorandum until his return to Washington on Wednesday, 1 May.
2. The Director indicated informally that he questioned two statements contained in the reference and enclosures thereto:
  - a. The premise in paragraph 2 of CPS memorandum of 24 April, that further conferences should be held under Census Bureau auspices rather than C.I.G. auspices "since the proposed second conference does not concern agencies subject to our coordination."
  - b. The omission of the Federal Bureau of Investigation from the list of agencies mentioned in paragraph 2 of the proposed letter to the Director of the Bureau of the Census.
3. The Central Planning Staff may wish to prepare comments for informal response to the Director upon his return.
